

Custom RTU, AHU, & ERU

- All aluminum casing (2" & 4")
- New & replacement market
- Fits existing curb without field modifications
- Energy recovery
- Single zone, Multi-zone, VAV
- Evaporative, air- and water-cooled condensing

www.seasons4.net

Full Line of Computer Room A/C Units

- DX, heat pumps, chilled water
- Glycol double wall construction
- Telecommunication, network and server rooms
- Hospital, clean room, museums, archival, industrial process, and lab applications

www.compu-aire.com

RTU & Exhaust Fans

- RuppAir is a division of CaptiveAir
- Packaged HVAC solutions
- DOAS & MUA
- Commercial ceiling fans & kitchen exhaust fans

www.ruppair.com

Electric Heat

- Open & finned tubular duct coils
- Electric console/Unit heaters
- Explosion proof unit heaters
- Baseboard & wall heaters
- Process air heaters
- Radiant & Immersion heaters
- Enclosure heaters

Quiet VAV Air Terminal Units

- Single & double duct
- Parallel & series fan powered
- Electric & hot water coils
- Zebra precision air valve
- Valid air high performance diffusers

www.warrenhvac.com

Commercial / Industrial Dehumidifiers, Desiccant Units

- Desiccant products for technically complex applications with mission critical requirements
- Solid welded aluminum construction
- Units from 100 to 30,000 CFM

www.bry-air.com

Modular ERV & Dehumidification

- 600 CFM ERV/HRV modules
- Combine modules up to 6000 CFM
- Integrated cooling coil options (1-ton to 3-ton)
- Integrated sensors (temperature, CO, RH, pressure)

www.energywall.com

Custom RTU, AHU, & ERU

- Custom AHU & Penthouse mechanical rooms
- Galvanized, aluminum, and stainless casings (2" & 4") - thermal break
- Commercial, industrial, hospital, biotech/pharmaceutical

www.mafna.com

VRF/DFS Heat Pump - Heat Recovery

- Heat recovery/heat pump from 1-ton to 42-ton capacity, 208/1 and 3 phase
- ERV, DOAS, and all types of indoor units
- Air & water source units
- BMS integration solutions

www.lghvac.com

HVAC Corrosion Protection

- Coil coating, heat exchanger, cabinet & casting coating
- Aluminum pigmented polyurethane coating
