

### Custom RTU, AHU, & ERU

- All aluminum casing (2" & 4")
- New & replacement market
- Fits existing curb without field modifications
- Energy recovery
- Single zone, Multi-zone, VAV
- Evaporative, air- and water-cooled condensing

[www.seasons4.net](http://www.seasons4.net)

### Computer Room AC Units

- DX, heat pumps, chilled water
- Glycol double wall construction
- Telecommunication, network and server rooms
- Hospital, clean room, museums, archival, industrial process, and lab applications

[www.compu-aire.com](http://www.compu-aire.com)

### RTU & Exhaust Fans

- RuppAir is a division of CaptiveAir
- Packaged HVAC solutions
- DOAS & MUA
- Commercial ceiling fans & kitchen exhaust fans
- CASLink BMS monitoring

[www.ruppair.com](http://www.ruppair.com)

### Electric Heat

- Open & finned tubular duct coils
- Electric console/Unit heaters
- Explosion proof unit heaters
- Baseboard & wall heaters
- Process air heaters
- Radiant & Immersion heaters
- Enclosure heaters

[www.braschmfg.com](http://www.braschmfg.com)

### Mini Split, Multi Zone, & VRF

- Mini splits up to 36K BTU, 29 SEER
- Ducted & ductless compatible
- VRF Heat rump
- VRF Heat recovery
- Systems up to 42 tons

[www.aihvaccglobal.com](http://www.aihvaccglobal.com)

### Quiet VAV Air Terminal Units

- Single & double duct
- Parallel & series fan powered
- Electric & hot water coils
- Zebra precision air valve
- Valid air high performance diffusers

[www.warrenhvacc.com](http://www.warrenhvacc.com)

### Commercial Gas Detection Systems

- Parking garage gas monitors
- All products carry UL61010-1
- UL-2075 listed
- Custom system design available
- Installation & commissioning

[www.conspect-controls.com](http://www.conspect-controls.com)

### Modular ERV & Dehumidification

- 600 CFM ERV/HRV modules
- Combine modules up to 3000 CFM
- BACnet IP (available options)
- Integrated sensors (temperature, CO, RH, pressure)
- Up to Merv 15 filtration

[www.energywall.com](http://www.energywall.com)

### Custom RTU, AHU, & ERU

- Custom AHU & Penthouse mechanical rooms
- Galvanized, aluminum, and stainless casings (2" & 4") - thermal break
- Commercial, industrial, hospital, biotech/pharmaceutical

[www.mafna.com](http://www.mafna.com)

### Customer Air Handlers

- Modular unit designs
- Multiple blower configurations
- Various types of coil selections

[www.thermal-corp.com](http://www.thermal-corp.com)

### Critical Air Management Solutions

- Chilled beams
- Anti ligature enclosures
- Air mixer
- Bubble tight dampers
- Venturi air valves

[www.ebaircontrol.com](http://www.ebaircontrol.com)

### Heat Pumps, AC Units, FCUs

- iCool XC - All Climate HP
- PTACs New & Retrofit
- WSHPs
- Cold Climate VRF PTAC's
